- 3

After Reading

A.

Who?	What?	When?	Where?	Why?
The Spanish explorers	sailed/traveled	century	Argentina.	religion, discoveries.

B.

[Answers will vary.]

From this book, I learned about the exploration and exploitation of the Americas by the Spanish.

Before I read this book, I knew that Spanish was a language commonly spoken in Central and South America.

Now I also know that the Americas gave Europe many new goods such as corn, chocolate, and tomatoes. And Spain gave the Americas many new things such as horses, cats, and cannons.
