- 1
- 3

After Reading

A.

Who?	What?	When?	Where?	Why?
Erich Maria Remarque	trench foot	1914, 1918	Battle of the Flers	zigzag

B.

[Answers will vary.]

From this book, I learned that chlorine gas worked by filling up a soldier's lungs with liquid until he drowned.

Before I read this book, I knew the war was fought with the use of trenches.

Now I also know, the trenches built during WWI would stretch about 25,000 miles if they were laid end-to-end.
