1. state                                    2. dynamic  
3. coexist                                4. ownership  
5. discouraged

### After Reading

**A.**

Who?	What?	When?	Where?	Why?
capitalists	market	21 <sup>st</sup> century	Finland Sweden	invent

**B.**

*[Answers will vary.]*

From this book, I learned about how capitalism developed and how it benefits and also discourages the growth of some economies around the world.

Before I read this book, I knew that a government controls the entire economy in a communist system.

Now I also know that most of the world's nations live under a global capitalist system.
